THE ART OF GRANITE: A LEGACY IN STONE

We are proud to announce the acquisition of **Amarjothi Granites**, a reputed company specializing in high-quality granite slabs, blocks, and customized stone solutions. This strategic move strengthens our portfolio, allowing us to offer an expanded range of superior natural stone products.

Nestled across 52 hectares of pristine quarrying sites, our mines yield some of the rarest, most sought-after granites, each slab an artwork of nature's finest hues and textures.

Our state-of-the-art quarries and processing facilities uphold the highest global standards, ensuring that every piece of Amarjothi Granite exudes:

- ✓ Immaculate natural beauty with rich, mesmerizing textures
- ✓ Unrivalled strength & longevity, crafted to withstand time
- ✓ Exclusive selections, sourced for the most discerning clientele
- ✓ Meticulous craftsmanship, refined through cutting-edge quarrying techniques

Every slab is carefully selected, ensuring that only the rarest and most exquisite formations make their way into the world's finest architectural wonders.
